THE  
W.H.K & S.  
ELLEN TERRY CORSET

*My Darling*

*If I long to be with you again. The sunset  
isn't as beautiful without you by my side. The pleasures  
aren't as sweet, the music not as lovely. Memories  
of our time shared keep you fondly in my heart.  
I count the days till we will once again be together.  
Till I can hold you in my arms and kiss your  
tender lips. I impatiently await your return.*
